Dear Pam:

Enclosed please find the proposed budget of the Napa County Fair for the year 2005. The budget was approved by our Board of Directors at their regular meeting on December 8, 2004. It has been submitted to the Division of Fairs & Expositions prior to your approval, in order to meet their deadline of December 10.

In order to meet accounting standards, the Division now requires fairs to depreciate buildings and equipment. We have done this conversion and the results are now included on page 1 of the budget.

At this time, we ask that you present this budget to the Board of Supervisors for their approval. If there are any questions or concerns regarding the budget, please do not hesitate to contact me.

Once the budget is approved, we ask that you return a signed copy to our office. As you know, the State of California, Division of Fairs & Expositions, requires us to forward them a copy of the budget after approval by the County.

We appreciate the continued support you have shown for the Napa County Fair, and thank you for your assistance regarding this matter.

Sincerely,

Mike Kenney
