Gladys Coil
Clerk of the Board
1195 Third Street, Suite 310
Napa, CA 94559

Dear Ms. Coil,
Please allow this letter to confirm that I have reached an agreement with the Applicant, Castellucci Family Vineyards, to resolve my appeal.
That Agreement is accurately stated in Rob Anglin's July 14 letter and enclosed site plan submitted to you.
I join the Applicant in asking the Board of Supervisors to approve our agreed changes to the subject project.

Please allow me to clarify that the letter from Smith Engineering dated June 5 which was delivered to your office by my attorney on July 16, should have been delivered with my original Appeal documents. I will only request this letter to be considered in the event the Board does not accept the Agreement outlined in Mr. Anglin's letter.

My very strong preference is that the Board approve the agreement reached between Mr. Castellucci and myself that was outlined in Mr. Anglin's July 14 letter.

Sorry if there was any confusion on this matter. Please contact me with any questions.

Sincerely,

Paul F Pelosi
