*Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute:

I have served on the Sanitation District for 9 years through many progressive times including the firing of two managers and the hiring of two managers. I was on the three member committee that create the building of a new plant; was critical in negotiations to allow American Canyon to detached from the District and form their own district. Other experiences within the District are printed above.

I enjoy the interfacing with other board members and local government. Would like to continue my service.
