Dear Luc,

Thank you for arranging the meeting so we could all meet and discuss your project. It was very nice meeting you and Jodie and your charming children, and I will look forward to having you as neighbors.

Best wishes,

Donald

Luc:

I am fully supportive of your project and wish you the best. It really has no impact on us since we are far apart on highway 29 but thank you for including us. I hope you can all come to a satisfactory solution on the traffic issues.

Luc and Jodie,

I was a pleasure to meet such nice and passionate people. I am sure it will all work out. I have no issue at all with your project. I do have the issue of safety for all of us. I sure wish the county would see it before something bad happens. Your wines were good, I wanted more, but I had to get home. I am sorry no one ate much of the food you ordered, they all seemed uptight. I may come by next week if it is ok with you. Are you around on Monday?
