Re: Child Care and Development Planning Council Membership

The Executive Steering Committee of the Child Care and Development Planning Council has met and it is the consensus of the committee to support the appointment of Lola Cornish-Nickens for a three year term expiring June 30, 2015. Lola has been an active leader on the Council since her initial appointment in 2003 as a Consumer Representative. While she no longer meets the criteria for that category of appointment, we look forward to her continued participation in the At-Large Representative category.

On behalf of the Council, I would like to thank the Board for their continued support. Please do not hesitate to contact me for any clarification that may be necessary.

Sincerely,

Becky Billing
Coordinator
