SKILLS & INTERESTS

As owner of a company, practical business risk management and financial experience, combined with broad sales and high-tech computer background and business aviation. A Napa County resident for the past 7 years, I take great pride in our region and county. When not working, I enjoy taking my daughter and wife in our Cessna aircraft on adventures throughout California, or staying at home working on our Napa Valley property. Besides flying, I am a passionate athlete in many sports including bicycle riding, and paddle-boarding on the Napa river.
