I was born and raised in Napa. Although I left for a short time as a young adult, I returned to raise my son here. The Napa Valley is my home and my community. I am very involved in community activities and events as a citizen as well as through my work with the Town of Yountville. Parks, open space and community gathering places are what make a city a community and I feel that I could contribute to the future planning of that community within the Napa Valley.

Through my work in Parks & Recreation for the past 16 years, I have gathered valuable knowledge that I believe could assist the Park and Open Space Advisory Committee should I be chosen.
