Napa County Legislation
Provided by: Peterson Consulting, Inc.
September 2, 2014

The Legislature adjourned the regular 2013-14 Legislative Session in the early morning hours of Saturday, August 30, 2014. This is the end of the two-year legislative session. All measures that were not acted upon prior to adjournment are now considered “dead” and will have to start from the beginning of the process in 2015.

Below is a report on bills of interest to the County. The bills are separated into groups: bills the County sponsored, supported, opposed and bills we monitored for the County. Unless a bill is noted ENROLLED, ENROLLMENT or CHAPTERED, it is dead. Also attached is a listing of measures we were tracking that were of general interest to counties.

We have noted in red those bills that have been enrolled to the Governor. We strongly encourage you to review those bills a final time to ensure that the County’s position on the bill has not changed. The County may wish to send a letter to the Governor requesting his action for those sponsored, supported or opposed bills, if you have not already done so. We have attached a template for these letters for your use.

The Governor has until September 30, 2014, to act on bills sent to him in the last weeks of session. He has been acting on some measures as they come to him. Because of this, we encourage you to send your request for signature/veto as soon as possible.

As always, please call or e-mail with any questions.
