Subject: RE: MTC Appointment - February 3, 2015 at 9:00 a.m.

Dear Clerk Coil,

This is to confirm my interest in serving as Napa's MTC Commissioner. I am honored to be one of the nominees the City Selection Committee put forward.

As the Board is aware, I have served two years as an MTC Commissioner by virtue of my appointment as ABAG's representative which recently expired. I also served as ABAG's President as we finalized "Plan Bay Area". This regional housing/transportation plan is a joint effort between MTC and ABAG and is a roadmap for future development and transportation investment. During that time I worked closely with both ABAG and MTC staff and the Bay Area leaders charged with implementing this plan. This experience and the relationships developed will be valuable in effectively representing Napa's housing and transportation interests in these coming years. In addition, my educational and professional experience as an Engineer provide me with a sound technical understanding that will be useful in managing MTC issues for the benefit of Napa and the Bay Area region.

I have also been a resident of the City of Napa for 19 years, a Napa City Councilmember when the Congestion Management Agency was formed, a commuter to the Bay area for years, and an occasional user of our transit system. I am very familiar with the needs in our communities and will work closely with our City colleagues to address these issues.

I would be honored to receive your appointment to this commission.

Thank you for your consideration.

Mark Luce
