NOV 16 2010

COUNTY OF NAPA
EXECUTIVE OFFICE

November 16, 2010

To: Napa County Board of Supervisors
Cc: Martin Pehl - Napa County Airport Manager
Todd Walker - Napa Country Airport Advisory Committee Chair

As a senior executive of Bridgeford Flying Services and as a Napa resident I request your consideration for appointment to a position on the Airport Advisory Committee. This position is available due to the departure of my esteemed partner, Harold Morrison. Harold's mentoring and dedicated support for the continuation of labors of the Airport Advisory Committee is one of my most compelling reasons for your consideration.

Over the last 10 years I have attended a majority of the meetings and am aware of, and support, the mission of the Commission. Our company, as the long term commercial business at the airport, is committed to support not only our County's airport but our entire community. I believe my appointment to the Commission would bring the continuation of Harold's and Bridgeford's perspective to issues coming before us. My most recent appointment to the N.A.T.A. (National Air Transportation Association) Board of Directors allows me to also bring to the Commission a perspective of what is happening in the aviation industry outside of Napa.

Please also allow me to share a little personal and additional professional information. Jeanette and I have two children who have attended area schools. Steven is now a senior at Cal Poly in their wine and viticulture program. Ariana graduated this year from the University of Oregon and is employed by Cisco Systems in Portland. Over the years Jeanette and I have remained active in many non-profit and other community endeavors. On the business front my aviation background spans over 25 years. Prior to Napa I had the privilege to work as a senior executive for one of the largest and most respected general aviation service providers in the World. My experiences and industry contacts have provided a positive benefit for the Napa County airport, our community and our company and I look forward to continuing these efforts. As part of the Airport Advisory Committee I would be committed to using my aviation experience and knowledge in offering recommendations concerning the continuous safe and secure operations, maintenance, and improvements of the Napa County Airport.

Respectfully submitted,
