## **John Kempkey, ARM**

Raised in the Napa Valley, John pursued his education goals at the University of California at Berkeley where he earned Bachelor's Degree in political science and completed his graduate degree in education. In 1976 he began his career in the insurance industry with a statewide brokerage firm. During this tenure he gained experience as underwriter, broker and branch manager.

In 1980, John formed Kempkey Risk Management Services and has supported the agency's mission of creating risk management solutions to help clients reduce their "total cost of risk". Within this role, John has directed his efforts at serving the needs of wine industry. In 1989, he helped form the Preferred Winery Safety Group for the benefit of delivering specialized loss control services and insurance programs to ultra premium wineries. He has also written numerous articles on subjects related to risk management for the wine industry and promoted the development of various safety programs.

Today, John's commitment and philosophy towards helping his clients achieve their risk management objectives, is the foundation upon which he continues to serve his growing list of clients. As part of this commitment John has also earned an Associate in Risk Management (ARM) designation.

Aside from business, John pursues his interest in aviation and flies his own airplane. He also enjoys the many privileges of having a large family, including participating with his kids in running marathons, and most recently completing the Tough Mudder, at Lake Tahoe.
