April 2016

Dear Calistoga and Silverado Trail Residents,

Your Calistoga Police Chief, Mitchell Celaya, has asked us to inform you of the upcoming **Napa Valley Silverado Half Marathon, 10K, and 5K** scheduled for Sunday, April 17. This will be our fourth year hosting this exciting event in the beautiful area you get to call home. Throughout our 33-year history of event production safety has been the cornerstone of Enviro-Sports' events. Close to 1000 runners will join us on the April 17th for an out and back run along Lake Street and the Silverado Trail. The start and finish will take place at the Calistoga High School Track. A full description of these events, including course maps are available online at www.envirosports.com.

As a safety precaution, a 5.5-mile section of the Silverado Trail from Hwy 29 in Calistoga to Crystal Springs Road will be closed to all automobile traffic from 7:00 am to approximately 11:00am. Local traffic will be allowed with a CHP escort until 11:00 am when the road reopens to car traffic.

Stevenson, Grant, and Lake Streets in Calistoga will have short intermittent closures for the start of the Half Marathon at 8:00 am, the start of the 10K at 8:15 am, and the start of the 5K at 8:30 am. These will be very short (15-25 minutes) closures until the bulk of the runners have passed. **No parking is allowed on the EAST side of Lake St. from Highway 29 to Grant St, on the NORTH side of Grant Street, and on the WEST side of Stevenson. This will be strictly enforced.** Please observe these parking restrictions on Sunday, April 17 from 6:00 AM to 12:00 NOON.

We do, however, ask that you exercise extreme caution when exiting your driveway to ensure that runners are not going by at that time.

We appreciate your cooperation with our effort to put on safe events. Your sharing the beautiful place you live with our participants is a gift we don't take for granted. We hope you'll join us as a spectator – or perhaps, one year as a participant – and witness the remarkable joy this event brings to our participants.

Sincerely,

David R. Horning
