To Whom it may concern,

I am writing in support of Kimberly Richard's application to the Napa County Wildlife Conservation Commission.

Kimberly has over 26 years' experience as an environmentalist and wildlife advocate, and works tirelessly on behalf of California's wildlife.

I have seen her advocate passionately and thoughtfully on behalf of California's wildlife before the Fish and Game Commission on many occasions.

She has shown a deep commitment to habitat restoration, maintaining a healthy ecosystem, and making sure our wildlife is protected.

She would be a great asset to the Wildlife Conservation Commission, and she will bring the added knowledge of the current activities and regulations of the CDFW and the Fish and Game Commission as well.

I urge you to appoint her to the Commission.

Best regards,

Eric Sklar
President
California Fish & Game Commission
