Re: Carneros Vineyard Run

To Whom It May Concern:

This year the Carneros Vineyard Run will be Sunday, July 22, 2018. The proceeds this year will go towards the department general fund, department personnel training and education, and a new station that the department is in desperate need of. The Carneros Volunteer Fire Dept. had a very successful event last year and we believe it will continue to be successful for years to come.

The Run will start at 08:00 AM from the Artesa Winery parking lot. Runners will start arriving by 06:30 AM. From the intersection of Dealy Lane and Henry Road to Old Sonoma Road, Dealy Lane will be open to traffic during the race. Henry Road will be closed until the race is over at around 10:00 AM.

Our goal is to inconvenience you as little as possible. Thank you for tolerating some inconvenience during this race. If you have any questions or concerns, please call Chief David Nye at (707) 265-6043.

Sincerely,

David Nye
Volunteer Fire Chief,
Carneros Volunteer Fire Department
