Application for Commission on Aging

Beatrice (Betty) Labastida

EDUCATION/EXPERIENCE

California State University at Los Angeles

Bachelor of Science in Nursing 1968

University of California at Davis

Master in Health Services in Family Nurse Practice 1973

In my 46 year career as a registered nurse/nurse practitioner, I worked 2 years in hospital nursing, 2 years in public health and 42 years as a Family Nurse Practitioner. After completing a 6 months internship in Warm Springs Confederated Tribe medical clinic and graduating from UC Davis I worked as a nurse practitioner in a variety of settings. My responsibilities were to provide primary care to all ages including older adults. I worked for the Department of State Foreign service for twenty years living and working overseas and providing medical care for American Embassy employees and their families. I provided occupational health as well as primary care to National employees. I retired from the US Department of State in late 1999 and relocated to Napa County. My local medical experience included one year at COPE as a public health nurse and then for 13 years for Community Health Clinic Ole (Ole Health). I retired December 2014. After retirement I went on a medical mission to the Dominican Republic with Somos Amigos and volunteered for one shift thru Ole Health at the Calistoga Fairgrounds shelter after the Valley Fire.

COMMUNITY PARTICIPATION

Ole Health Board of Directors since 2016. Serve on the Board and on the Quality Improvement Committee.

University of California Master gardeners of Napa County since 2000. I have volunteered over 1000 hours and currently am co-chair of the compost committee and member of the Latino Outreach Committee.

Napa Valley CanDo since 2009. Active participant in various volunteer programs. Current participation in CanDo CanGrow a program dedicated to provide vegetables for the Food Bank, CanDo Waterway Keepers which picks up trash along the Napa River and collaborates with other organizations to educate and keep the waterways clean. Served as site captain at the Earth day and Coastal Clean cleanups. Neighborhood Coordinator for the Green Bag food project which collects nonperishable food for the Food Bank.

Democrats of Napa Valley club since 2003. Served as past vice president, representative of the club to the Napa County Democratic Central Committee and co-chair of the Latino Outreach Committee.

COMMUNITY PARTICIPATION (continued)

Citizenship Legal Services since 2013. Volunteer at monthly workshops assisting legal permanent residents to complete forms to become United States Citizens.

The Table since 2015. Help serve hot meals on a monthly and as needed basis.

Napa Solano Audubon Society since 2003. Participate in weekly bird walks and tabling at events when needed. Past member -at-large on Audubon Board.

Explain reasons for wishing to serve and in your opinion, how you would contribute:

The past two years on the Commission on Aging I have been on a steep learning curve learning about the different programs and resources for older adults. I have served on a committee focusing on food insecurity and was an active participant with LHNC's The Napa County Emergency Food System Study . An opportunity to provide a health promotion talk to Latino Elder Coalition attendees arose and I co-presented with Jesus Prado, RN. I have recently joined the Napa Continuum of Care program thru NCCOA. I have become increasingly aware of the issues related to older adults. It is my sincere desire to continue to serve and improve awareness of issues of the older adult.

The next three paragraphs are from my original application in 2015. I include them as they are as relevant now as they were when I first applied.

I am honored to be nominated by Supervisor Alfredo Pedroza to represent District 4 on the Commission on Aging. I know my predecessor Betty Rhodes and well aware of her amazing contributions to the Community and the Commission.

My 46 year professional career as a registered nurse/nurse practitioner has always been about care and service to individuals and families. In many of the clinical settings, I provided medical care to the medically underserved, low income and homeless. As the daughter of Mexican immigrants, I was taught early about the incredible opportunity our family was given in immigrating to the United States. My Father often spoke of giving back for the betterment of the Community and oneself.

As I approach my seventh decade and recent retirement I have become increasingly aware of senior issues and need for service. The goal of remaining as independent as possible is important for all of us. It is crucial that we communicate with all Seniors about resources and services and that these same services are relevant and reliable. As a health care professional I feel that I can contribute by sharing my expertise on health matters and related issues like safety and home care.

I appreciate the opportunity to serve.
