Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.	I am interested in making a positive contribution to our county and believe I have an in-depth understanding of subtleties of reconciling the interests of an aviation community like ours and the long-term welfare of the citizens of Napa County. I have years of experience operating out of airport environments in the midst of communities in many ways not unlike our own. This includes but is not limited to the Greater Boston and Westchester County environs. My experience indicates that thoughtful and informed public guidance can resolve in an equitable manner conflict that can arise between an aviation community and the Public.

I declare under penalty of perjury that the foregoing is true and correct.	Yes
Electronic Signature Agreement	I agree.
