Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.*

Inappropriate development around airports is one of the major problems they face. It causes complaints, safety issues, and can ultimately shut down an airport. Napa County Airport has an excellent record of restricting development that is incompatible with airport operation while contributing to the overall growth of the South County area. I would like to contribute to the ALUC's review of land use compatibility issues for areas located around the airport.
