For Conflict of Interest purposes

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.*

To the Napa County Board of Supervisors:
I am cordially requesting consideration to represent the general public in the Airport Land Use Commission. I have been a professional pilot for over 20 years with more than 2600 hours in total flight time, including 2000 hours as a flight instructor, flying in/out of Napa County Airport over 15 years.
As an experienced local pilot and flight instructor possessing a Professional Aeronautics major from Embry-Riddle Aeronautical University, the mother of 2 young daughters, and a Napa community member, I feel I have a responsibility to preserve what many of us appreciate and value in this valley. Being able to utilize my aviation skills and knowledge for the betterment of the community is my highest calling to contribute to the community my family calls home.
Flying around the Napa County Airport environment, I know all the peculiarities of this local flying environment--the airflow in the valley, terrain, weather, aviation traffic, populated areas, and the culture of this valley. Having firsthand experience of the special relationship between general aviation, the airport, the county government, and the public, I believe I would be the perfect liaison between those entities. The best way for me to share my professional experience and the knowledge I've gained flying in Napa would be to serve on a commission such as the Airport Land Use Commission.
I am always proud to say Napa is my hometown.
Kind regards,

Yuki Arita Moore
