To: Napa Commission on Aging

I have been asked by Mary Palmer to write a letter of recommendation, in her behalf, pursuant to potential service on the Napa Commission on Aging. I served on the Advisory Council, for the Area Agency on Aging of Napa and Solano Counties, for more than six years and also served as its Chairman the past four years, until my second term expired, approximately thirty days ago. I can state, without reservation, that I wholeheartedly endorse Mary Palmer, for service, on the Napa Commission on Aging and am certain she will make a very positive contribution to your Commission.

I am certain of this statement, as that is precisely what occurred when Mary joined our Advisory Council. Mary demonstrated a heartfelt compassion and keen understanding, for the issues and problems facing the senior population of our two counties and I believe it is a great benefit, to our senior population, that Mary would wish to continue her service in its behalf. I can also state that Mary is just one of those people who is a genuine pleasure to have, as a member of any group. She always seemed to make all of the meetings and soon proved herself to be a valuable member of our Advisory Council.

Please feel free to contact me if there are any follow-up questions.

Sincerely,

[REDACTED]
Steve Rozensky

Advisory Council Chairman Emeritus
