INDEPENDENT AUDITOR'S REPORT

Allison Haley
District Attorney
Napa County
Napa, California

We have audited the accompanying schedule of Grant Revenue and Expenditures of the Napa County Office of the District Attorney for the Workers Comp Insurance Fraud Grant Program funded by the California Department of Insurance as of June 30, 2019 and the related schedule of eligible costs Budget to Actual claimed for the contract period July 1, 2018 to June 30, 2019. These schedules are the responsibility of the Office of the District Attorney. Our responsibility is to express an opinion on these schedules based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, and section 1872.8 of the State of California Insurance Code. Those standards and instructions require that we plan and perform the audit to obtain reasonable assurance about whether the schedules are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedules. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the schedules referred to in the first paragraph present fairly, in all material respects, of the Napa County Office of the District Attorney for the Workers Comp Insurance Fraud Grant Program funded by the California Department of Insurance and the related schedule of expenditures claimed for the contract period July 1, 2018 to June 30, 2019, in conformity with standards and instructions issued by the Department of Insurance for the State of California.

In accordance with *Government Auditing Standards*, we have also issued a report dated August 23, 2019 on our consideration of the Workers Comp Insurance Fraud Grant Program allocated to the Office of the District Attorney's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Allison Haley
District Attorney
Napa County
Napa, California

We have audited the schedule of Grant Revenues and Expenditures of the Napa County Office of the District Attorney for the Workers Comp Insurance Fraud Grant Program funded by the California Department of Insurance as of June 30, 2019 and the related schedule of Eligible Costs Budget to Actual for the contract period then ended and have issued our report thereon dated August 23, 2019. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing the audit, we considered Workers Comp Insurance Fraud Grant Program allocated to the Office of the District Attorney's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Workers Comp Insurance Fraud Grant Program allocated to the Office of the District Attorney's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Workers Comp Insurance Fraud Grant Program allocated to the Office of the District Attorney's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and other Matters

As part of obtaining reasonable assurance about whether the Workers Comp Insurance Fraud Grant Program's financial schedules are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial schedules amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information of the District Attorney, management of the program and awarding agency and is not intended to be and should not be used by anyone other than the specified parties.
