For Conflict of Interest purposes

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.*

I have never worked in a job that didn't revolve around animals. I've been in veterinary medicine for 10+ years, and have been rescuing animals for 15 years. I have a lot of experience with animals having behavioral and medical issues. I feel like I would be a good candidate for this panel because I will always put the animals quality of life, and public safety before my own feelings.
