MEMORANDUM

To: Board of Supervisors	From: Helene Franchi
Date: March 23, 2021	Re: BOS Agenda for March 23, 2021 Consent Item 7M

Since late last week, staff has been working with its partner counties of Alameda, Contra Costa, Marin, San Francisco, San Mateo, and Santa Clara to reach an agreement with the State to include an addendum to the Memorandum of Understanding with the State regarding the allocation of COVID 19 vaccines which provides for greater flexibility to continue operations and partnerships they have used to reach those at highest risk. A similar addendum has been agreed upon with the County of Los Angeles. Attached is the Addendum for signature by the Chair together with a letter dated March 22, 2021 to Secretary Richardson which outlines the core needs and concerns of the counties which are addressed in the addendum.

Please change the recommended action to read:

County Executive Officer requests authorization and approval for the Chair to sign a Memorandum of Understanding (MOU) and Addendum with the California Government Operations Agency establishing roles and responsibilities associated with the provision of COVID-19 vaccinations.
