

**Petition Urging the Planning Commission to grant the variance requested
by Richard and Leslie Mansfield Winery**

We the undersigned are all of the current owners of real property within 300 feet of the property line of the parcel listed by the county as APN 025 180 017 which is owned by Richard and Leslie Mansfield.

We believe that the restoration of the historic winery structure located on that parcel would be of great benefit to the community and we urge the Commission to grant a variance to allow Richard and Leslie Mansfield to restore and operate the historic winery as a functioning winery with an 8000 case maximum production.

We have been acquainted with Richard and Leslie Mansfield for many years and have found them to be good citizens and neighbors

We hereby waive notice of any hearing concerning this variance and will not attend.
