Caldwell Vineyard (Napa)

Enjoy an insider's tour and tasting for (2) and a three-night stay in the Caldwell **Vineyard** Guest House. Your tasting will be with founder John Caldwell or his winemaker, Marbue Marke, in their 20,000 square foot cave where you will be immersed in his informative, intriguing stories. Hollywood has already taken note of John Caldwell's story; how he single-handedly became the first Californian to discover and import rootstocks and grapevine clones from France. They are now referred to as the "Caldwell Clones," and today, in a Bordeaux-style **vineyard**, clones are industry standard. Caldwell produces estate-grown hillside fruit for its signature wines, "Gold", "Silver" and "Rocket Science". The new varietals collection culminates Caldwell's work over the last twenty-five years.

g Wine Cellars (East Napa Valley)

Enjoy a private tasting and dinner for (2) created by chef, Gary Penir. 'g' Wine Cellars is a culmination of
