SUBJECT: APN's 057-240-001 and 057-240-013

To Whom It May Concern:

The Napa Sanitation District has received a request to provide a "Will Serve" letter for existing building on the subject parcels to be subdivided. The subject parcels are currently within the District's Sphere of Influence and within the District's boundaries and are currently served by the District's sewer system. No new square feet of building space is proposed. The District has been informed that the proposed subdivision will not alter existing wastewater generation.

The owner/developer will be required to install the sanitary sewer and reclaimed water improvements as specified in the District's Conditions of Approval for the project. Additionally, the owner will be required to pay the appropriate connection and inspection fees, and shall be subject to all applicable rules and regulations of the District.

This "Will Serve" letter is valid for a period of five years from the date of this letter. If the proposed development has not obtained its required Connection Permits from the District at the end of this time, this "Will Serve" letter shall become void.
