

PLANNING COMMISSION HEARING – April 3, 2013
EXHIBIT C – CONDITIONS OF APPROVAL

Stags Leap Winery/Treasury Wine Estates Americas Company
Use Permit Major Modification Application № P12-00110
6150 Silverado Trail, Napa, CA 94558
Assessor's Parcel № 032-530-034 & -024

1. SCOPE

The permit shall be limited to:

- A. Modification of Use Permit #s: U-508687, U-417778, U-508687 and U-508687 allowing approval of the following: 1) Conversion an existing residence and bed and breakfast to allow tours and tasting; 2) Increase visitation by 30 people per day, for a total of 40 people per day by-appointment only visitation; 3) Inclusion of food and wine pairing as part of tours and tasting; 4) Allow on-site bottle consumption as per AB 2004; 5) Establish the tours and tastings hours of operation from 10 am to 6 pm; 6) Construction of an ADA pathway and outdoor ADA accessible restroom; 7) Minor interior improvements to the bathroom and doorway for compliance with ADA; 8) increase the number of employees from two full time and one part time to three full time and one part time; 9) installation of underground fire suppression pipes to connect to the neighboring system.
- B. Approving a Road Modification to the Napa County Roads and Street Standards allowing a series of one-way loops on the access road and a reduced width in order to preserve mature trees and historically significant rock walls and entrance columns.

The winery shall be designed in substantial conformance with the submitted site plan, elevation drawings, and other submittal materials and shall comply with all requirements of the Napa County Code. It is the responsibility of the applicant to communicate the requirements of these conditions and mitigations (if any) to all designers, contractors, employees, and guests of the winery to ensure compliance is achieved. Any expansion or changes in use shall be by the approved in accordance with Section 18.124.130 of the Napa County Code and may be subject to the Use Permit modification process.

****Alternative locations for cave spoils and fire suppression tanks are permitted, subject to review and approval by the Director of Planning, Building, and Environmental Services, when such alternative locations do not change the overall concept, and do not conflict with any environmental mitigation measures or conditions of approval.**

2. PROJECT SPECIFIC CONDITIONS

- A. Commercial uses cannot proceed in the Manor House until minimum fire and ADA code requirements have been brought up to commercial standards.
- B. All remodeling of the Manor House shall be done in conformance with the Secretary of Interior Standards for the treatment of historic properties.
- C. The storage area located in the basement of the Manor House shall not be used for winery related storage.
- D. Signage plan needs to be submitted to the Planning Division for review and approval by the Engineering and Fire Division prior to expansion of use.

3. **COMPLIANCE WITH OTHER DEPARTMENTS AND AGENCIES**

Project conditions of approval include all of the following County, Divisions, Departments and Agency(ies) requirements. The permittee shall comply with all applicable building codes, zoning standards, and requirements of County Divisions, Departments and Agencies at the time of submittal and may be subject to change. Without limiting the force of those other requirements which may be applicable, the following are incorporated by reference as enumerated herein:

- A. Engineering Services Division as stated in their Memorandum dated February 21, 2013 and the Road Modification Request Memorandum dated March 19, 2013.
- B. Environmental Health Division as stated in their Memorandum dated February 13, 2013.
- C. Building Division as stated in their Memorandum dated February 6, 2013.
- D. Fire Department as stated in their Memorandum dated April 24, 2013 and February 11, 2013.

The determination as to whether or not the permittee has substantially complied with the requirements of other County Divisions, Departments and Agencies shall be determined by those Divisions, Departments or Agencies. The inability to substantially comply with the requirements of other County Divisions, Departments and Agencies may result in the need to modify the approved use permit.

4. **VISITATION**

Consistent with Sections 18.16.030 and 18.20.030 of the Napa County Code, marketing and tours and tastings may occur at a winery only where such activities are accessory and "clearly incidental, related, and subordinate to the primary operation of the winery as a production facility." Marketing and/or Tours and Tastings are not typically authorized until grant of Final Occupancy, but exceptions where extenuating circumstances exist and are subject to review and approval by the County Building Official, County Fire Marshal, and the Director of Planning, Building and Environmental Services.

Permittee shall obtain and maintain all permits and licenses from the California Department of Alcoholic Beverage Control (ABC) and United States Tax and Trade Bureau (TTB) required to produce and sell wine, including minimum levels of crush and fermentation. In the event permittee loses required ABC and/or TTB permits and licenses, permittee shall cease marketing events and tours and tastings until such time as those ABC and/or TTB permits and licenses are re-established.

A log book (or similar record) shall be maintained which documents the number of visitors to the winery (be they tours and tastings or marketing event visitors), and the dates of their visit. This record of visitors shall be made available to the Planning, Building and Environmental Services Department upon request.

A. **TOURS AND TASTING**

Tours and tastings are limited to the following:

1. Frequency: seven days per week, Monday through Sunday
2. Maximum number of persons per day: 40
3. Hours of operation: 10 am to 6 pm

“Tours and tastings” means tours of the winery and/or tastings of wine, where such tours and tastings are limited to persons who have made unsolicited prior appointments for tours or tastings.

Tours and tastings may include food and wine pairings, where all such food service is provided without charge except to the extent of cost recovery and is incidental to the tasting of wine. Food service may not involve menu options and meal service such that the winery functions as a café or restaurant. (Ord. 1340, 2010; Ord. 947 § 9 (part), 1990; prior code § 12070).

Start and finish time of tours and tastings shall be scheduled to minimize vehicles arriving or leaving between 4:00 PM and 6:00 PM, and shall be limited to those wines set forth in Napa County Code 18.16.03(G)(5)(c) – AP Zoning; 18.20.030(H)(5)(c) – AW Zoning.

5. **RENTAL/LEASING**

No winery facilities, or portions thereof, including, without limitation, any kitchens, barrel storage areas, or warehousing space, shall be rented, leased, or used by entities other than persons producing and/or storing wine at the on-site winery, such as alternating proprietors and custom producers, except as may be specifically authorized in this use permit or pursuant to the Temporary Events Ordinance (Napa County Code Chapter 5.36).

6. **SIGNS**

Prior to installation of any winery identification or directional signs, detailed plans, including elevations, materials, color, and lighting, shall be submitted to the Planning, Building, and Environmental Services Department for administrative review and approval. Administrative review and approval is not required if signage to be installed is consistent with signage plans submitted, reviewed and approved as part of this use permit approval. All signs shall meet the design standards as set forth in Chapter 18.116 of the Napa County Code. At least one sign placed and sized in a manner to inform the public must legibly include wording stating “Tours and Tasting by Prior Appointment Only”.

7. **LIGHTING**

All exterior lighting, including landscape lighting, shall be shielded and directed downward, shall be located as low to the ground as possible, shall be the minimum necessary for security, safety, or operations, and shall incorporate the use of motion detection sensors to the greatest extent practical. No flood-lighting or sodium lighting of the building is permitted, including architectural highlighting and spotting. Low-level lighting shall be utilized in parking areas as opposed to elevated high-intensity light standards. Lighting utilized during harvest activities is not subject to this requirement.

8. **SITE IMPROVEMENTS AND ENGINEERING SERVICES-SPECIFIC CONDITIONS**

Please contact (707) 253-4417 with any questions regarding the following.

A. **GRADING AND SPOILS**

All grading and spoils generated by construction of the project facilities, including cave spoils, shall be managed per Engineering Services direction. All spoils piles shall be removed prior to final occupancy.

B. **TRAFFIC**

Reoccurring and scheduled vehicle trips to and from the site for employees, deliveries, and visitors shall not occur during peak (4-6 PM) travel times to the maximum extent possible. All road improvements on private property required per Engineering Services shall be maintained in good working condition and in accordance with the Napa County Roads and Streets Standards.

C. **DUST CONTROL**

Water and/or dust palliatives shall be applied in sufficient quantities during grading and other ground disturbing activities on-site to minimize the amount of dust produced. Outdoor construction activities shall not occur during windy periods.

D. **STORM WATER CONTROL**

The permittee shall comply with all construction and post-construction storm water pollution prevention protocols as required by the County Engineering Services Division, and the California Regional Water Quality Control Board (SRWQCB).

E. **PARKING**

The location of employee and visitor parking and truck loading zone areas shall be identified along with proposed circulation and traffic control signage (if any).

Parking shall be limited to approved parking spaces only and shall not occur along access or public roads or in other locations except during harvest activities and approved marketing events. In no case shall parking impede emergency vehicle access or public roads. If any event is held which will exceed the available on-site parking, the permittee shall prepare an event-specific parking plan which may include but, shall not necessarily be limited to, valet service or off-site parking and shuttle service to the winery.

F. **GATES/ENTRY STRUCTURES**

Any gate installed at the winery entrance shall be reviewed by the Planning, Building & Environmental Services Department, and the Napa County Fire Department to assure that it is designed to allow large vehicles, such as motorhomes, to turn around if the gate is closed without backing into the public roadway, and that fire suppression access is available at all times. If the gate is part of an entry structure an additional permit shall be required according to the Napa County Code and in accordance with the Napa County Roads and Street Standards. A separate entry structure permit is not required if the entry structure is consistent with entry structure plans submitted, reviewed, and approved as part of this use permit approval.

9. **ENVIRONMENTAL HEALTH-SPECIFIC CONDITIONS**

Please contact (707) 253-4471 with any questions regarding the following.

A. **WELLS**

The permittee may be required (at the permittee's expense) to provide well monitoring data if the Director of Planning, Building and Environmental Services determines that water usage at the winery is affecting, or would potentially affect, groundwater supplies or nearby wells. Data requested could include, but would not necessarily be limited to, water extraction volumes and static well levels. If the applicant is unable to secure monitoring access to neighboring wells, onsite monitoring wells may need to be established to gauge potential impacts on the groundwater resource utilized for the project proposed. Water usage shall be minimized by use of best available control technology and best water management conservation practices.

In the event that changed circumstances or significant new information provide substantial evidence that the groundwater system referenced in the use permit would significantly affect the groundwater basin, the Director of Planning, Building and Environmental Services shall be authorized to recommend additional reasonable conditions on the permittee, or revocation of this permit, as necessary to meet the requirements of the Napa County Groundwater Ordinance and protect public health, safety, and welfare. That recommendation shall not become final unless and until the Director has provided notice and the opportunity for hearing in compliance with the Napa County Code §13.15.070 (G-K).

B. **NOISE**

Construction noise shall be minimized to the greatest extent practical and allowable under State and local safety laws. Construction equipment muffling and hours of operation shall be in compliance with Napa County Code Chapter 8.16. Equipment shall be shut down when not in use. Construction equipment shall normally be staged, loaded, and unloaded on the project site. If project terrain or access road conditions require construction equipment to be staged, loaded, or unloaded off the project site (such as on a neighboring road or at the base of a hill), such activities shall only occur between the hours of 8 AM to 5 PM. Exterior winery equipment shall be enclosed or muffled and maintained so as not to create a noise disturbance in accordance with the Napa County Code. There shall be no amplified sound system or amplified music utilized outside of approved, enclosed, winery buildings.

10. **ARCHEOLOGICAL FINDING**

In the event that archeological artifacts or human remains are discovered during construction, work shall cease in a 50-foot radius surrounding the area of discovery. The permittee shall contact the Planning, Building and Environmental Services Department for further guidance, which will likely include the requirement for the permittee to hire a qualified professional to analyze the artifacts encountered and to determine if additional measures are required.

If human remains are encountered during the development, all work in the vicinity must be, by law, halted, and the Napa County Coroner informed, so that he can determine if

an investigation of the cause of death is required, and if the remains are of Native American origin. If the remains are of Native American origin, the nearest tribal relatives as determined by the State Native American Heritage Commission would be contacted to obtain recommendations for treating or removal of such remains, including grave goods, with appropriate dignity, as required under Public Resources Code Section 5097.98.

11. **INDEMNIFICATION**

If an indemnification agreement has not already been signed and submitted, one shall be signed and returned to the County within twenty (20) days of the granting of this approval using the Planning, Building and Environmental Services Department's standard form.

12. **AFFORDABLE HOUSING MITIGATION**

Prior to County issuance of a building permit, the applicant shall pay the Napa County Affordable Housing Mitigation Fee in accordance with the requirements of Napa County Code Chapter 18.107 or as may be amended by the Board of Supervisors.

13. **PREVIOUS CONDITIONS**

As applicable, the permittee shall comply with any previous conditions of approval for the winery use except as they may be explicitly modified by this action. To the extent there is a conflict between previous conditions of approval and these conditions of approval, these conditions shall control.

14. **MONITORING COSTS**

All staff costs associated with monitoring compliance with these conditions, previous permit conditions, and project revisions shall be borne by the permittee and/or property owner. Costs associated with conditions and mitigation measures that require monitoring, including investigation of complaints, other than those costs related to investigation of complaints of non-compliance that are determined to be unfounded, shall be charged. Costs shall be as established by resolution of the Board of Supervisors in accordance with the hourly consulting rate established at the time of the monitoring and shall include maintenance of a \$500 deposit for construction compliance monitoring that shall be retained until grant of final occupancy. Violations of conditions of approval or mitigation measures caused by the permittee's contractors, employees, and/or guests are the responsibility of the permittee.

The Planning Commission may implement an audit program if compliance deficiencies are noted. If evidence of compliance deficiencies is found to exist by the Commission at some time in the future, the Commission may institute the program at the applicant's expense (including requiring a deposit of funds in an amount determined by the Commission) as needed until compliance assurance is achieved. The Planning Commission may also use the data, if so warranted, to commence revocation hearings in accordance with §18.124.120 of the Napa County Code.

15. **TEMPORARY AND FINAL OCCUPANCY**

All project improvements, including compliance with applicable codes, conditions, and requirements of all departments and agencies with jurisdiction over the project, shall be completed prior to granting of a Certificate of Final Occupancy by the County Building Official, which, upon granting, authorizes all use permit activities to commence. The

County Building Official is authorized to grant a Temporary Certificate of Occupancy to allow specified limited use of the project, such as commencement of production activities, prior to completion of all project improvements. Marketing and/or Tours and Tastings are not typically authorized until grant of Final Occupancy, but exceptions where extenuating circumstances exists and are subject to review and approval by the County Building Official, County Fire Marshal, and the Director of Planning, Building and Environmental Services. In special circumstances, departments and/or agencies with jurisdiction over the project are authorized as part of the Temporary Certificate of Occupancy process to require a security deposit or other financial instrument to guarantee completion of unfinished improvements. Consistent with Board of Supervisors Resolution № 2010-48, "Temporary Certificates of Occupancy are generally not to be used to allow production of wine for more than one year."
