Dear Ms. Hedge,

Permit me to communicate my acquaintanceship with Tom Kenefick, a neighbor of mine for many years and an asset to the community.

Regularly he has contributed to community events. Frequently he's participated personally himself. Moreover, many times over the years, in meetings at church, I have heard him express profound concern for disadvantaged members of the public and an interest in aiding them. He has a large heart and eyes open to the opportunity to be of service.

I am glad to know Tom and wish him luck in his endeavors.

Sincerely,

Donald Williams
