Re: P19-00203; Burhenne Residence Use Permit for Exception to the Conservation Regulations
1080 Greenfield Road, St. Helena; APN 025-390-006
Application Submitted on April 19, 2019

Dear Ms, St. Clair and Ms. Purvis,

I, Deanna Roth, am a homeowner and a neighbor of the Burhennes. My property is located at 5 Greenfield Way, St. Helena, Ca.

I am familiar with the scope of the proposed Use Permit for Exception Application filed by the Burhennes, referenced above.

This letter will serve notice to the County that I do not object to the proposed Use Permit and join in Supporting the Burhenne's application for the same.

Please place this letter of support in their file.

Sincerely,

Deanna Roth
