

## MITIGATION MONITORING AND REPORTING PROGRAM

Robert Mondavi Winery  
Use Permit # P07-00435-MOD  
7801 St. Helena Highway, Napa, CA 94562  
APN 027-280-050

### Exhibit A

| Mitigation Measure   | Monitoring Responsibility   | Monitoring/Reporting Action and Schedule                        | Monitoring Compliance Complete (Name / Date) |
|--|---|---|--|
| <b>List Initial Study Section (e.g., Aesthetics)</b>   |   |   |  |
| <b>Transportation/Traffic (Section XV. a and b):</b>   |   |   |  |
| 1) Reoccurring and scheduled vehicle trips to and from the site for employees and deliveries, including but not limited to tank truck deliveries of raw wine, deliveries of bottling supplies, and bulk wine shipments of finished cases of wines, shall not occur during peak (4:00-6:00 PM) travel times to the maximum extent possible. | Napa County CDPD (Planning) and Public Works Department                         | Confirmation through annual reports submitted by the applicant. |  |
| 2) All road improvements on private property required by the Napa County Department of Public Works or California Department of Transportation shall be maintained in good working condition.  | Napa County Public Works Department and California Department of Transportation | Periodic/quarterly site inspection.                             |  |

I understand and explicitly agree that with regards to all California Environmental Quality Act, Permit Streamlining Act, and Subdivision Map Act processing deadlines, this revised application will be treated as a new project, filed on the date this project revision statement is received by the Napa County Conservation, Development and Planning Department. For purposes of Section 66474.2 of the Subdivision Map Act, the date of application completeness shall remain the date this project was originally found complete.
