

New NSD Logo and Tagline Presentation

Napa Sanitation District
Board of Directors Meeting

What do we want to accomplish today?

- Choose a name
- Choose a logo design
- Choose a tagline
- Create a hybrid name/logo/tagline
or
- Tell us to scrap everything and start over

Background

- Need a standardized name to avoid confusion- Napa San? NSD? Napa Sanitation District?
- Current NSD logo is outdated and rather confusing
- Current tagline is not specific to who we are/what we do
- We need a name, logo, and tagline that clearly tell who we are/what we do

What have we been up to?

- Conducted in-house tagline contest
 - Purchased logo templates
 - Created mock name/logo/tagline combinations for you to view
-
- *Note- the logo templates are intended to be a guide for a graphic designer to work from and create our final logo*

Possible Names

- Napa Sanitation District
- Napa San
- NapaSan
- NSD
