Subject: Tabling of Application for City of American Canyon General Plan Conformance/ Consistency Determination from the Napa County Airport Land Use Commission (ALUC)

Dear Mr. Gee:

The City of American Canyon's Community Development Department requests to table the consistency determination on General Plan conformance scheduled for the February 3, 2010 hearing before the Napa County Airport Land Use Commission (ALUC) to a currently unknown date. The additional time will permit the city to reconsider its approach to making the General Plan consistent with the Napa County Airport Land Use Compatibility Plan.

In acknowledgement of the legal timeframe in which the application must be considered by the ALUC, the City waives the requirement for a decision within a 60 day timeframe.

If you have any questions, I may be contacted at (707) 647-4337 or by e-mail at scleisz@cityofamericancanyon.org.

Sincerely,

Sandra Cleisz, Senior Planner
