

FREE HOME COMPOSTING WORKSHOPS

LEARN to reduce and/or eliminate yardwaste and turn it into wonderfully rich, free compost for your garden.

DISCOVER the basics of home composting, composting with worms and grasscycling.

BECOME familiar with tools, types of bins and the ins and outs of recycling yardwaste, garden waste, and even some food waste.

SIGN UP FOR A FREE WORKSHOP
and receive at the end of your two hour class one of the following:

- 1 **FREE** compost bin for backyard composting.*
- 2 **\$30** rebate on worm-composting bin.
- 3 **\$30** rebate on mulching lawnmower retrofit/attachment for grasscycling.
- 4 **\$30** rebate on mulching lawnmowers.

Limit one bin/rebate per household while supplies last.

* For larger capacity there will be an option of two bins or one larger bin. There is a \$20 charge for this option.

REGISTER By MAIL- mail coupon below
By FAX - fax coupon to 253-4545
ONLINE www.cityofnapa.org/compost
(No phone registrations accepted)

Please register two weeks prior to your preferred workshop date to reserve your space.

GRASSCYCLING

Grasscycling is the natural recycling of grass by leaving clippings on the lawn when mowing. Grass clippings decompose quickly and release valuable nutrients back into the soil. It is simple, easy, and it works!

Mulching mowers cut up grass into finer pieces so that it decomposes quickly but you can grasscycle with any mower if you follow proper mowing techniques.

SAVES TIME

No More Bagging & Raking

ENCOURAGES HEALTHY LAWN

Clippings Contain Valuable Nitrogen

SAVES MONEY

Less Fertilizer is Needed
(which reduces toxic runoff into stormdrains & waterways)

REDUCES YARD WASTE

Clippings Stay on Your Lawn
