Date: October 13, 2014	Re: Napa Pipe Project Agenda Item 9a
------------------------	---

Attached is additional correspondence we've received from Get a Grip on Growth and the City of Napa since the packet was transmitted to the Commission. Based on the number of comments received, staff will be recommending that the Commission conduct the public hearing as scheduled on October 15, 2014, and continue the hearing to a date certain to allow staff to prepare responses for the Commission's consideration prior to making a recommendation to the Board of Supervisors.
