Bylaws of the Agricultural Protection Advisory Committee

(Adopted March 27, 2015)

(First Amended April 20, 2015)

Article I – Name

The Committee shall be designated the Agricultural Protection Advisory Committee, referred to hereafter as the “Committee.”

Article II – Authority

On March 17, 2015, the Board of Supervisors (“Board”) adopted Resolution No. 2015-31 establishing the Committee.

Article III – Purpose

Napa County has long been a leader, both for California and the nation, in setting standards and policies for the protection of agriculture. Over the past year there has been increasing concern among the public and members of the Napa County Planning Commission (Planning Commission) regarding the rate, intensity and location of winery development projects in the unincorporated area. As a result of these changes, there is broad consensus that efforts need to be made to protect the cultural landscape that has defined the Napa Valley.

The purpose of the Committee is to evaluate and make recommendations on the following: the minimum parcel size for new wineries; the minimum percentage of grapes used in the winery to be grown on-site (“estate grapes”); requiring that new or expanded wineries result in no net loss of vineyards; requiring that a majority of employees be directly engaged in vineyard or production operations; limiting the amount of variance allowed for setbacks on new wineries; requiring that wineries include the number of temporary events in their use permit approval as part of marketing and tasting room visitation; and, requiring different development standards for wineries located in the Agricultural Preserve (AP) and Agricultural Watershed (AW) zoning districts. The Committee shall at a minimum make its recommendations on these items and time permitting may make recommendations on other matters that it deems appropriate.

The Committee will serve as an advisory body to the Planning Commission on these issues.

Article IV – Function

To fulfill its responsibilities, the Committee shall comply with the following provisions:

- A. Hold its first organizational meeting no later than April 15, 2015.

B. Meet at least twice a month in a public forum and evaluate and make recommendations consistent with the purpose of the Committee as set forth in Article III.

C. Prepare a report of the Committee's recommendations and forward those recommendations to the Planning Commission no later than September 2, 2015.

Article V – Membership

A. Composition. The Committee shall be comprised of a maximum of 17 members, appointed by the County Board of Supervisors, as follows:

- Four (4) members representing each of the wine/agriculture organizations (Napa County Farm Bureau, Napa Valley Grape Growers, Napa Valley Vintners, and Winegrowers of Napa County);
- Two (2) members from the general business community (e.g., Chambers of Commerce, Hotel Association, Visit Napa Valley);
- Two (2) members from the five municipalities;
- Two (2) members from environmental groups (e.g., Sierra Club, Audubon Society, Living Rivers Council, Mt. Veeder Stewardship Council, Friends of the Napa River, Land Trust of Napa County, Sustainable Napa County, etc.);
- Two (2) members from neighborhood/community groups (e.g., Save Yountville Hill, Save Rural Angwin, Watersheds Alliance of Atlas Peak, Defenders of East Napa Watersheds, Soda Canyon Road, Protect Rural Napa, Vision 2050); and
- Five (5) at-large members, one from each Supervisorial District.
- Twelve (12) alternate members with one member from each of the groups identified above except no alternates shall be appointed for the at-large Supervisorial District members.

The term of the Committee may be extended by the Board of Supervisors. A member whose appointment has expired may continue to serve in that capacity until a new appointment is made or until the Board of Supervisors declares that position vacant.

prior to the meeting. Alternate members are strongly encouraged to attend all meetings so as to stay apprised of matters under consideration and discussion by the Committee.

Any member of the Committee who has two (2) or more unexcused absences shall have his/her appointment reviewed by the Committee, with possible recommendation to the Board of Supervisors for continuation or removal from the Committee. Excused absences will be determined by the Chair.

F. Participation by Alternates. It is expected that if a Committee member cannot attend a meeting, the member's appointed alternate shall attend the meeting and participate in the proceedings. Alternates are strongly encouraged to attend Committee meetings but may not participate as a Committee member or vote on a matter unless they are attending the meeting in place of a regular member. Alternate members who are not participating in place of a regular member but who wish to speak on a matter may do so during public comment on the matter.

G. Authority to Bind. No member of the Committee shall have any power or authority to bind the Committee by any contract, to pledge its credit, or to render it liable for any purpose in any amount.

C. Recordation of Committee Actions. All official actions or decisions by the Committee shall be entered in the minute book of the Committee kept by the Secretary. Only written action minutes will be maintained; however, electronic recordings will be made by the Secretary of each meeting of the Committee which shall be available to the public for inspection by request made at the Napa County Planning, Building and Environmental Services Department, 1195 Third Street, Suite 210, Napa, California 94559.

A final vote on any matter may also be placed on the agenda for reconsideration by the Committee upon motion of any member at any later meeting.
