### **CONTINUED FROM THE DECEMBER 17, 2014 AND JANUARY 21, 2015 MEETINGS**

### **TO BE DROPPED FROM THE AGENDA AND RENOTICED AT A FUTURE DATE**

#### **EXECUTIVE SUMMARY**

##### **Proposed Action:**

That the Planning Commission:

1. Drop the item from the agenda for renoting at a future hearing date.

##### **Discussion:**

On December 17, 2014, the Planning Commission held a public hearing to consider Use Permit application #P14-00053 to establish a new 200,000 gallon/year winery with the construction of a new winery building totaling 32,771 sq.ft. in area. Based upon the Commission's discussion and a request by Ms. Tofanelli (a neighbor) to continue, this item was continued to January 21, 2015. At that meeting, the Planning Commission resumed the public hearing and received testimony and evidence from Ms. Tofanelli, interested parties and the applicant's representative. The Commission also asked for further information and analysis from staff regarding the County's policies or regulations applicable to parcels already encumbered by development from another parcel's development and grape sourcing. The item was continued to February 21st to allow staff time to respond to the issues raised by the Commission. Because the issues that were raised will require preparation of additional analysis by the applicant's team and staff to address comments and staff is still conducting its analysis, it is recommended that the item be dropped from the agenda and renoted at a future date. The applicant supports this recommendation.

#### **FISCAL IMPACT**

Is there a Fiscal Impact?                      No

#### **ENVIRONMENTAL IMPACT**

**ENVIRONMENTAL DETERMINATION:** Mitigated Negative Declaration Prepared. According to the proposed Mitigated Negative Declaration, the proposed project would have, if mitigation measures are not included, a potentially significant environmental impact in the following areas: Transportation/Traffic. The project is not

included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5.
