

ROLL-OFF BOXES FOR LARGE GENERATORS

Does your business generate large amounts of materials?
Why pay full price for a trash box when you can get the same size box for separated materials for a fraction of the cost?
***Call for details — actual costs will vary.**

SEPARATE THESE MATERIALS FOR REDUCED RATES:
concrete, asphalt, dirt, wood, metals, yard waste and mixed recycling

HAZARDOUS WASTES such as fluorescent lamps/tubes, automotive fluids, pesticides and fertilizers, paint products, cleaners, batteries, etc. **cannot be placed** in the bins or carts.

Upper Valley Waste Management Agency sponsors twice yearly hazardous waste collection events. Typically events are held in April in St. Helena and in October in Calistoga. Businesses are charged a fee for this disposal service and appointments are required. To

request information on these events email upvalleyrecycles@countyofnapa.org or call 259-8330. Find safe and legal disposal information at www.naparecycling.com, and visit www.calpsc.org to advocate for producer take-back programs.

MANDATORY COMMERCIAL RECYCLING & COMPOSTING

As part of California's efforts to reduce greenhouse gas emissions and reach a 75% recycling rate by 2020, recycling is mandatory for all businesses and apartment complexes.

Composting is also mandatory for large generators of food scraps/ other organics.

Call or visit www.UVDS.com now to start or improve your recycling and composting program!

RECYCLING EQUIPMENT

Do you need a better way to collect and transfer recyclables or compostables from inside your business, classroom, or apartment to the bins outside?

The Upper Valley Waste Management Agency will provide free interior recycling equipment to businesses, schools, and multi-family dwellings committed to recycling (*while supplies last*).

Email upvalleyrecycles@countyofnapa.org or call 259-8330 for more details.
