P14-00261

Planning Commission Hearing Date – March 1, 2017

RECEIVED

7/15/2015

Napa County Planning, Building & Environmental Services

No Helicopters Over Hagen

We encourage you to let the Supervisors and Planning Commission know your concerns and opposition to the proposed helicopter landing pad and fuel storage in the rural lands below Mt. George.

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence Private Use Helicopter Application

4031 Hagen Road, Napa, CA 94558

UP # P14-000261-UP

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are **to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience.**

The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE : Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

We are residents of Napa County. We appreciate the peace and quiet of this valley and object to this application which would set precedent to additional applications to land helicopters at private residences. Accommodating single families' convenience or recreation with helicopter rides at the expense of the peaceful enjoyment of the properties of tens of thousands of families by raising the general noise level in the Napa valley is not in the interest of the health and welfare of the county. It is contrary to General Plan policies and contrary to the requirements use permits are supposed to comply with.

We hereby register our opposition to it and ask you to deny it.

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

UP # P14-000261-UP

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
UP # P14-000261-UP

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience. The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

UP # P14-000261-UP

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
Use Permit **P14-00261**

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are **to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience.**

The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

Advocating for Responsible Planning to Insure Sustainability of the Finite Resources
of Napa County

A Better Plan. A Better Future.

! IMMEDIATE ACTION NEEDED!

DEAR HAGEN ROAD AREA RESIDENT:

The Palmaz family at 4029 Hagen Road has applied for a Use Permit for a 7-person, wide-body, 35 foot long helicopter (Airbus EC 130 B4), including a helipad, hangar and a 3,500 gallon fuel tank for "personal use, family and guests". Through the efforts of some of our current members, Napa County Ordinance P04-0198 was created which prohibits helicopter landings at county wineries. However, the door was left open for landings at residences. Conveniently, the Palmaz residence lies only a few hundred feet from the winery.

The application's Noise Element claims that the impact on your neighborhood will be minimal, but it is certain - especially due to the ricochet effect of Mt. George - that your peace and quiet will be disturbed and your property value negatively impacted. The California Airport Land Use Planning Handbook, recommends that the existence of nearby heliports be disclosed to prospective buyers.

If the supervisors follow - as they should - the Governor's Office Conditional Use Permit Manual, they must find that: *"The establishment, maintenance or conducting of the use for which a use permit is sought will not be detrimental to the public welfare or injurious to property or improvements in the neighborhood"*.

But for them to do so, you need to register your opposition. The only one who gains is one family who wants to enjoy rides with no regard for its neighbors in a helicopter typically used for tourist tours such as in Hawaii, Aspen and the Grand Canyon. Failure to stop it, will encourage similar applications near you and throughout the county.

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE : Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

RE: Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
Use Permit **P14-00261**

I am a resident of Napa County and object ^{to} the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are **to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience.**

The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

PETITION

Napa County Planning, Building
& Environmental Services

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE : Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE : Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

RECEIVED

SEP 30 2015
Napa County Planning, Building & Environmental Services

We are residents of Napa County. We appreciate the peace and quiet of this valley and object to this application which would set precedent to additional applications to land helicopters at private residences. Accommodating single families' convenience or recreation with helicopter rides at the expense of the peaceful enjoyment of the properties of tens of thousands of families by raising the general noise level in the Napa valley is not in the interest of the health and welfare of the county. It is contrary to General Plan policies and contrary to the requirements use permits are supposed to comply with.

We hereby register our opposition to it and ask you to deny it.

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence, Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
UP # P14-000261-UP

I am a resident of Napa County and object to the County's policy to grant Conditional Use Permits for Private Use helicopter landings. Per California case law: "Conditional Use Permits enable a municipality to control certain uses which could have detrimental effects on the community and that they are in the best interest of public convenience".

The Palmaz application serves no public purpose with detrimental - precedent setting - effects on the welfare of this community. We request that you deny it.

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are ***to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience.***

The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

PETITION

Napa County Planning, Building
& Environmental Services

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence, Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
UP # P14-000261-UP

I am a resident of Napa County and object to the County's policy to grant Conditional Use Permits for Private Use helicopter landings. Per California case law: *"Conditional Use Permits enable a municipality to control certain uses which could have detrimental effects on the community and that they are in the best interest of public convenience"*.

The Palmaz application serves no public purpose with detrimental - precedent setting - effects on the welfare of this community. We request that you deny it.

	Name	State	Comment
1.	Daniel Mufson	CA	thanks
2.	Estreya Kesler	CA	In order to maintain the integrity and ambiance of our Napa, no personal helicopters competing w the noise level we already bear. Not to mention invasion of space. No to more choppers!
3.	Astrid Bock		
4.	Leslie Lew	CA	Please do not allow helicopter to diminish our quality of life in Napa. Helicopters are for emergency only.
5.	James Fitch	CA	
6.	Mary Elke	CA	The Palmaz family has a history of not complying with permits and county ordinances. The helicopter pad poses yet another opportunity of abuse and violations.
7.	Charles Dell'Ario	CA	
8.	Karin Troedsson		
9.	ellen parsley		We certainly do not need helicopters landing in this area. The airport is close enough to Coombsville. Land there and drive.
10.	Judith Myers	CA	
11.	Laura Corthell	CA	
12.	Christina Jennings	CA	If someone wants/needs a helicopter for their private use, in a residential area, landing it at the very nearby local airport and driving to their home from there sounds more reasonable than disturbing neighbors.
13.	Jacqueline Dickson	CA	
14.	Harry Parsley		
15.	Ellen Kohagura	CA	
16.	Diane McAughtry	CA	Just the few that come across already are noisy and detrimental to homes in the area. The risk of a crash is also a serious concern.
17.	Kathy Mosher	CA	
18.	Susan Richardson	CA	
19.	Sonja Farley	CA	

	Name	State	Comment
20.	Mark Farley	CA	We don't need more helicopter noise in our peaceful neighborhood. They can drive from the Napa Airport! We don't want to become another LA.
21.	Deborah Brown	CA	
22.	Sherri Neefe	CA	
23.	Debra Burger	CA	
24.	Marsa Tully	CA	
25.	Carol Allen	CA	
26.	Henrietta Cohen	CA	Helicopters are very noisy and fly at a relatively low altitude, thereby affecting the noise level under the flight path and beyond. Private helicopters should not be allowed in residential neighborhoods.
27.	Teresa McKee	CA	
28.	Dianne Fraser	CA	This
29.	Antonia Allegra	MA	Napa skies for day birds, not heli-birds.
30.	Susan Leick	CA

37.	Kevin Eason	CA	
38.	Pamela Jackson	CA	
39.	Rachel Davies	MA	
40.	Marie Gravelle		
41.	Marie Dolcini		An extremely bad idea that will disrupt neighbors and wildlife.
42.	Cecily Jordan	CA	
43.	Grania Lindberg		
44.	Patricia Hitchcock	CA	I live in the neighborhood and object to the potential noise pollution and heron rookery disruption.
45.	Linda Cochran	CA	
46.	Lisa Togni	CA	
47.	daniel galvin	CA	
48.	Janet Rivas	CA	
49.	Thomas McNicholas	CA	No helicopters please. Thank you
50.	Trudi Angell	CA	I believe helicopters should not be used for winery tour access, and that private parties applying for permits for helipad or helicopter use be restricted to small craft for personal use, if at all.
51.	Michael Bernstein	CA	Napa has enough noise, air, and visual pollution caused by an excess of wineries and their non-related retail businesses and restaurants. There is no need to add more noise and air pollution by super wealthy people who want to flaunt the spirit of the Agricultural Preserve. Use of very noisy helicopters will just further add to the destruction of Napa as a quiet country place to live.

	Name	State	Comment
52.	greg matsumoto	CA	Another privilege for the wealthy at the cost of the neighborhoods peace and quiet. This privileged proposal is an obvious attempt to seek a legal loophole for mere convenience. Their winery already pollutes the environment with their wind fans in the winter and now helicopter noise in the summer as well. Not to mention their deep wells that have caused our wells to loose water. When will this ever stop?
53.	Julie Tingle	CA	
54.	Sandy Elles		
55.	Shirleen Hall	CA	
56.	Nancy McCoy-Blotzke	CA	
57.	wayne ryan		
58.	Jolaine Martel	CA	Leave the helicopter pads at the hospitals and airports where they belong. Not in the backyards of the wealthy, This is Napa Valley, not New York City.
59.	Karen Jacob		
60.	Chad McComber	CA	Flying helicopters over the heads of local residents is what could be considered the ultimate vindication of some Valley residents' fear that their backyard is being sold off to billionaires. The consideration for targeted air travel to residences, businesses or agricultural areas seems flagrant and insensitive. Not only does it set a dangerous precedent for the rest of the Valley, but the idea of established wine connoisseurs flying directly to a winery by a helicopter feels like they will be missing out on the experience of the Napa Valley, which locals and vintners can both agree is something to agree upon. There is no need for helicopter traffic in Napa. Control the experience. Napa is not a flyover county.
61.	Pam Smithers	CA	
62.	Suzanne Gibbs	CA	
63.	Linda Bancke	CA	
64.	joseph hennessey		
65.	Peter Edridge	CA	Why would I want some rich guy flying his bloated ego over my house? Perhaps I wouldn't mind so much if I could go blast rock 'n roll outside his bedroom window whenever I want. That seems fair.
66.	Tower Snow	PA	
67.	Melinda McNeely	CA	
68.	Gwen Becker	CA	Please preserve what generations have fought for. Do not allow helicopters to land in residential areas or in any winery.
69.	Connie Wilson	CA	
70.	Robert Meanza	CA	
71.	Lisa Doxsee	CA	After enduring the many helicopters during Bottlerock, I am extremely concerned about the noise pollution this permit would allow.
72.	Jim Nagel	CA	
73.	Neva Kesselring	CA	
74.	karen culler	CA	
75.	Daryl Roberts	CA	The Palmaz have twice thumbed their noses at Napa County's laws, specifically the soil erosion ordinance, and were twice prosecuted by the District Attorney's Office for these violations. They do not deserve any positive consideration of this application.
76.	Anthony Norris	CA	
77.	Howard Haupt	CA	
78.	Stephanie Daglia		

	Name	State	Comment
79.	Rick Aldine	CA

82.	Deborah Norris	CA	
83.	Sheila Daugherty		
84.	David Allred	CA	
85.	jennifer baerwald	CA	
86.	E. Amy Martenson	CA	We have a local airport than anyone can use to land their helicopter. There is no reason why an individual needs their own private helicopter landing and where would that end? How can you grant one person that right and then say no to someone else? What about the rights of those living around this individual?
87.	Paula Huff	CA	
88.	Carol Renner	CA	
89.	Chris Gillespie	CA	Thanks for originating this petition. Napa city and county need noise control from other sources such as vehicles with open pipes (exhaust with no mufflers), leaf blowers, automobile sterios, and horns as well. I live approximately one mile from the fairgrounds in Alta Heights and find it unbelievable that permits continue to be issued for Bottle Rock allowing three days of apparent unlimited low frequency noise controls. The hill acts as an ampitheiter reflecting the noise back into the neighborhood distorting it and making it louder. This will be a problem with helicopters at Palmaz. Door to door helicopter, commute, transportation and tourism would add value to property containing helipads. Requests for helipads are likely to increase. Where space allows Residential Airbnb hotel owners are sure to request helipad permits. Helicopter transportation sounds counterproductive to reduce tourist related road congestion and doesn't seem neighborly. The June 26, 2015 Napa Register letter to the editor, Tourism's Faustian deal, by George Caloyannidis was excellent as was Urbanization by Over-Visitation by Geoff Ellsworth. I'm interested in volunteering, however medical problems including a recent surgery limits my ability to attend meetings. Chris
90.	Steven Frost	CA	
91.	Bruce Frost	CA	
92.	Charles C	VA	We object to helicopters in our neighborhood due to the amount of noise they cause.
93.	Nancy S	VA	Please no unnecessary noise. What if we all did this? The Napa airport is available for such things, no?
94.	Matthew Wood	IN

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
UP # P14-000261-UP

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are *to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience.*

The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
UP # P14-000261-UP

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are **to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience.**

The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

NOV 02 2015

Napa County Planning, Building
& Environmental Services

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

NAPA COUNTY
EXECUTIVE OFFICE

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE : Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

We are residents of Napa County. We appreciate the peace and quiet of this valley and object to this application which would set precedent to additional applications to land helicopters at private residences. Accommodating single families' convenience or recreation with helicopter rides at the expense of the peaceful enjoyment of the properties of tens of thousands of families by raising the general noise level in the Napa valley is not in the interest of the health and welfare of the county. It is contrary to General Plan policies and contrary to the requirements use permits are supposed to comply with.

We hereby register our opposition to it and ask you to deny it.

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence, Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
UP # P14-000261-UP

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. Per California case law: **"Conditional Use Permits enable a municipality to control certain uses which could have detrimental effects on the community and that they are in the best interest of public convenience"**.

The Palmaz application serves no public purpose with detrimental - precedent setting - effects on the welfare of this community. We request that you deny it.

4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

RE : Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

We are residents of Napa County. We appreciate the peace and quiet of this valley and object to this application which would set precedent to additional applications to land helicopters at private residences. Accommodating single families' convenience or recreation with helicopter rides at the expense of the peaceful enjoyment of the properties of tens of thousands of families by raising the general noise level in the Napa valley is not in the interest of the health and welfare of the county. It is contrary to General Plan policies and contrary to the requirements use permits are supposed to comply with.

We hereby register our opposition to it and ask you to deny it.

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE : Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

We are residents of Napa County. We appreciate the peace and quiet of this valley and object to this application which would set precedent to additional applications to land helicopters at private residences. Accommodating single families' convenience or recreation with helicopter rides at the expense of the peaceful enjoyment of the properties of tens of thousands of families by raising the general noise level in the Napa valley is not in the interest of the health and welfare of the county. It is contrary to General Plan policies and contrary to the requirements use permits are supposed to comply with.

We hereby register our opposition to it and ask you to deny it.

PETITION

To the Napa County Planning Department, Planning Commission and Board of Supervisors:

RE: Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa, CA 94558
Use Permit **P14-00261**

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are **to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience.**

The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

RE: Palmaz Residence Private Use Helicopter Application
4031 Hagen Road, Napa CA 94558
UP # P14-000261-UP

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

UP # P14-000261-UP

We have chosen to live in one of Napa County's most quiet residential pockets at the foot of Mt. George. As the immediate neighbors of the applicant, we find it inappropriate and unjustified for you to accommodate one family's wish to enjoy helicopter rides with take-offs and landings near our homes at the cost of sacrificing our right to the peace and quiet enjoyment of our properties.

We hereby register our opposition to it and ask you to deny it.

Use Permit **P14-00261**

RECEIVED

JAN 19 2016

Napa County Planning, Building
& Environmental Services

I am a resident of Napa County and object the County's policy to grant Conditional Use Permits for Private Use helicopter landings. According to extensive California case law, Conditional Use Permits are **to enable a municipality to control certain uses which could have detrimental effects on the community or that they are in the best interest of public convenience.**

The Palmaz application serves no public purpose and can only have detrimental effects on the welfare of this community and therefore request that you deny it.

We are residents of Napa County. We appreciate the peace and quiet of this valley and object to this application which would set precedent to additional applications to land helicopters at private residences. Accommodating single families' convenience or recreation with helicopter rides at the expense of the peaceful enjoyment of the properties of tens of thousands of families by raising the general noise level in the Napa valley is not in the interest of the health and welfare of the county. It is contrary to General Plan policies and contrary to the requirements use permits are supposed to comply with.

We hereby register our opposition to it and ask you to deny it.
