Dear Chairman Gill and fellow Commissioners,

American Canyon Clubhouse  
Napa Clubhouse  
Club 1515 Teen Center

This letter is in support of ZD Wines Use Permit Modification (P16-00026). I have read the Public Notice associated with this Use Permit Modification and believe it is a relatively minor modification and should be easily approved.

*School Site Units:*  
American Canyon Middle School  
Canyon Oaks Elementary  
Donaldson Way Elementary  
McPherson Elementary  
Napa Junction Elementary  
Napa Valley Language Academy  
Pueblo Vista Elementary  
Salvador Elementary

ZD Wines has been located on the Silverado Trail in the Rutherford Appellation of Napa County since 1978. The winery has been continually owned and operated by the deLeuze Family with three generations actively participating in the winery's operations.

*Officers*  
Peter Stoppello  
President

The deLeuze Family has always operated the winery with thoughtful consideration for the Napa Community. ZD Wines has been particularly supportive of the Youth in our Community through the Boys and Girls Club Teen Center of Napa. In 2010, ZD Wines donated \$100,000 dollars to refurbish the B&G Teen Center. Since that time, ZD has continued to provide support to the teen center through weekly deliveries of healthy snacks to the teen center along with supportive fundraising events held at the winery like ZD's Summer Wine Celebration and Crush Challenge.

Todd Walker  
Vice President

Joy Eldredge  
2<sup>nd</sup> Vice President

Greg Chase  
Treasurer

ZD Wines also operates with ecology in mind. ZD's Estate Vineyards are CCOF certified organic. In 2007, ZD Wines installed enough solar power generation panels to replace more than 80% of its power needs. In addition, the winery processes all of the winery wash down water which is then used for vineyard irrigation. ZD Wines is Napa Green Certified and Fish Friendly Certified.

Jim Fehring  
Secretary

Ryan Brennan\*  
Immediate Past President

Sincerely,

*Board of Directors*
