Your Guide to Waste Management and Resource Recovery in the upper Napa Valley

HAZARDOUS WASTE EVENT

Saturday October 27, 9AM-3PM
Napa County Fairgrounds in Calistoga

Upper Valley Waste Management Agency will host a one-day hazardous waste collection at the Napa County Fairgrounds located at 1435 N. Oak Street in Calistoga on Saturday, October 27, from 9 am to 3 pm. A licensed hazardous waste handling company will accept a variety of hazardous wastes from local residents at no charge.

To be safe, residents should pack hazardous waste in the trunk or bed of their vehicle and transport it in amounts less than 15 gallons or 125 pounds per trip. The event is open to all up-valley residents who receive waste collection services or use Clover Flat Landfill, but is for households only.

Businesses that generate limited quantities of hazardous wastes will be able to dispose of them on Fri-

day, October 26 from 1 pm to 4 pm. This collection event is open to only those businesses that generate less than 27 gallons or 220 pounds of hazardous waste per month. Appointments are required – call 707-259-8330 by 5 pm on Wednesday, October 24 to schedule a drop-off time. Businesses must pay disposal fees for hazardous wastes that they bring to this collection event.

For more information on hazardous collections for up-valley residents and businesses, contact Amanda Griffis of Upper Valley Waste Management Agency at 707-259-8330.

Do not transport over 15 gallons or 125 pounds at one time.

Ag Chemical Container Recycling Fall Event

A Tradition of Stewardship
A Commitment to Service

Tuesday
November 6,
2018 **8am**
to **Napa County Calistoga Yard**
3pm **4410 Silverado Trail North**
 Calistoga

The Napa County Agriculture Commissioner's Office and Interstate Ag Plastics invite you to bring plastic ag chemical containers for recycling at our Fall Container Recycling Event. Please use extra care to secure your empty containers so they do not blow out of trucks or trailers during transport on public roads. To learn more about Interstate Ag Plastics recycling processes, please visit their website: www.interstateagplastics.com.

How To Prepare Containers

Triple Rinse & Dry

Cut Down Larger Containers

- 5 Gallon: Cut in Half
- 15 Gallon: Cut in Thirds
- 30 Gallon: Cut in Thirds
- 50 Gallon Cut in Fourths

Remove

- Labels
- Metal Handles
- Caps
- Plastic Sleeves

Break down all cardboard boxes **before** arriving at the event

We Can No Longer Accept
250 Gallon Totes

Napa County Agriculture Commissioner's Office
1710 Soscol Avenue, Suite 3
Napa, CA 94559

Pay Bill Online

As a reminder, now you can go to our website at www.uvds.com. Look for the Online Bill Pay link to easily pay your bill. Please call our office if you have any questions: 707-963-7988

Commercial Recycling — EASY, Good for Business... and It's the Law!

YOU'VE HEARD THAT RECYCLING at your business can save energy and is good for the environment, but did you know that it's also required by state law? State law requires recycling at all commercial sites that generate four cubic yards or more of trash per week and multifamily residential dwelling of five units or more. The law (AB 341), passed in 2011, is increasing recycling and reducing greenhouse gas production throughout California.

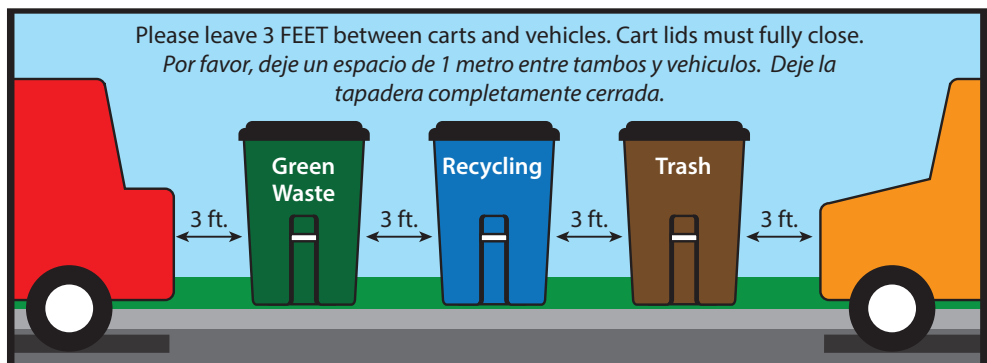

With the passage of AB 1826 in 2014, new organic recycling requirements will be phased in over several years and will help the state meet its goal to recycle 75 percent of its waste by 2020. Businesses are required to recycle their organic waste on and after April 1, 2016, depending on the amount of waste they generate per week. Organic waste means food waste, green waste, landscape and pruning waste and nonhazardous wood waste.

Organic waste means food waste, green waste, landscape and pruning waste and nonhazardous wood waste.

If you'd like more information on whether your business, apartment building, or government agency is meeting the state recycling requirements, contact Upper Valley Waste Management Agency at (707) 259-8330.

What Goes in the Blue Bin?

YES! This Goes in the Recycling.

- PAPER**
