

### **MST Truck Fill Station Project**

Napa Sanitation District Board of Directors Meeting September 18, 2019

NapaSan Board of Directors Meeting – September 18, 2019

Slide 1

#### MST Recycled Water Service

- Milliken-Sarco-Tulocay (MST) region has been identified as a groundwater deficient zone
- Recycled water has been provided to reduce groundwater withdrawals – promoting sustainable use

## MST Recycled Water Service

- Progression:
  - Original MST Pipeline
  - State Hospital Pipeline 2011
  - MST Pipeline 2016
  - MST Expansion 2017
  - MST Truck Fill Station 2019

Slide 4

### **Potential Users**

 MST Sphere users without access to the RW main

NapaSan

#### Fill Station Use

### **Project Benefits**

- Greater accessibility and usability of recycled water
- Improved accessibility for:
  - Emergency (fire/earthquake)
  - Drought
- Improved parking surface

## **School Coordination**

- Construction on NVUSD property (RW customer)
- Coordination meeting with NVUSD and County
- Easement Agreement

# **MST Funding**

|   | Funding   | Sources            |  |  |
|---|---|--------------------|--|--|
| Federal   | \$4.5 million   | WaterSmart         |  |  |
| State   | \$4.9 million   | Prop 84 & Prop 1   |  |  |
| Total:  | \$9.4 million   |                    |  |  |
| Total Project<br>Cost:                                    | \$18.5 million  | MST CFD and grants |  |  |
| Grant Share:  | 51%   |                    |  |  |
| Projects – Coombsville Extension, MST Pipeline, MST BPS-1 |   |                    |  |  |
