Hi David,

I don't know if you received these photos at the bottom of this email from the McCrory's on Crestmont, but they have been complaining to the Bremer's attorney about their property. They sent me the letter for the Bremer hearing asking if I had received it and also gave me these photos at the same time.

Kind Regards,

Deborah

Mr. Gilbreth,

Please see attached photos of the Bremer construction storage yard as seen from the homes on Crestmont Dr. directly above their property (which will be discussed in the meeting). It is an "eye sore" to the beautiful valley view everywhere but in our area as this view is directly below all of us.

We believe this trashy construction storage yard look needs to be addressed.

We will be out of state at the time of this meeting and will be unable to personally comment on this. We hope this photo will help u be aware that this property may be becoming more commercial than residential
