Dear Planning Commissioners:

I own and operate the vineyard directly in front of Envy Wines and have shared a property line with them since 2008. They are great neighbors and have been supportive of our vineyard management and progress. We have always been in favor of their continued success and we are very happy to support them in their expansion to accommodate production. We look forward to many more years sharing a property line with them. If you have any questions for me, please feel free to contact me at 925-286-5150.

RE: Support for the Envy Winery request for a production increase located at
1170 Tubbs Lane, Calistoga, CA 94515, hearing date October 16, 2019

Dear Planning Commissioners:

I have known Mr. Carter for over 20 years and have lived across the street from Envy Wines for the last eight years. The winery has been a wonderful asset to our immediate neighborhood as well as the general community here in Calistoga.

In addition, this winery has contributed greatly to our local wine industry, producing high quality products which have garnered much praise and high scores, thus lifting all of us in the industry and the Napa Valley as a whole.

As a direct neighbor, I fully support their desire to expand the production at their winery and recommend approving their request to continue their ability for high quality winemaking for the Napa Valley. If you have any questions for me, please feel free to contact me at 707-942-9100.

Sincerely,
