Agenda Item # 7C

15 October, 2019

Dear Board of Supervisors,

I wanted to take this moment to voice my support for Philippe Langner's winery project called Kitoko Winery on Atlas Peak Rd.

I currently farm just under 6 acres of Cabernet Sauvignon grapes on my property at 4080 Atlas Peak Road and produce wine from a portion of my grapes. I currently crush at Somerston winery on Sage Canyon Rd. nearly 1.5 hours by truck from our property, but I would much rather do our custom crush at Kitoko Winery, MUCH closer to home at under 2 miles.

Sincerely,

THOMAS DINKEL

Agenda Item # 7C

Dear members of the Napa Board of Supervisors,

I have been a resident of Atlas Peak Rd since 1975 and a grape grower since 1986.

I have carefully reviewed Philippe Langner's Kitoko winery proposal and wish to voice my full support for this project .

I am very familiar with property at 3189 Atlas Peak Rd. as a former owner and believe that Philippe Langner has been an excellent steward of the land as well as a very good neighbor.

Best regards,

Patrick Elliott-Smith
