RE: Saintsbury Winery

Dear Ms. Hedge,

Domaine Carneros would like to extend our support for approval of Saintsbury's major modification request. I have reviewed and discussed the details of the project with David Graves. The request is reasonable and would not negatively impact our community.

Saintsbury has always been a good neighbor to Domaine Carneros. As a leader in environmental and land stewardship, Saintsbury has acted responsibly to protect the land. Additionally, Saintsbury conducts their business with consideration to their neighbors. For these reasons, we support what we believe to be a reasonable request for a modification to their use permit.

We are confident that Saintsbury will continue to be an asset to our community, and I ask that Napa County approve this request.

Please convey this letter of support to the Napa County Planning Commission. If you have any questions, please feel free to contact me. Thank you.

Sincerely,

Remi Cohen
