<b>AGREEMENT FOR OUTSIDE SERVICE CONNECTION</b>
-------------------------------------------------

This Agreement is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between the Napa Sanitation District, a California special District (hereafter the "District"), and JEFFREY RICHIED (hereinafter "Owner").

**RECITALS**

WHEREAS, District owns and operates a sanitary sewer collection, treatment and disposal system in and for the lands within its boundaries;

WHEREAS, Owner is the person owning certain lands located outside the boundaries of District and identified as 1118 Wine Country Ave, Napa (APN 035-511-014) and more particularly described in Exhibit A and Exhibit B attached hereto ("Property") who are desiring to connect a single family dwelling to the public sewer mains owned and operated by District; and

WHEREAS, District Code Section 5.01.070 allows where special conditions exist relating to any outside sewer, they shall be the subject of a special contract between the applicant and the District, and applicant shall be charged for sewage service in the same degree and manner as others now within the District Boundaries;

**AGREEMENT**

NOW THEREFORE, in consideration of the mutual promises and conditions hereinafter declared and entered into between the parties hereto, the parties do covenant and promise as follows:

1. District hereby determines that the Property lies outside the District boundary, but inside the sphere of influence of the District.
2. Owner agrees that prior to connection to the facilities of District, Owner will pay all applicable fees and charges to District associated with connection of the Property.

3. Owner further agrees to pay, prior to the connection of said facilities to the District's system, a capacity charge for the privilege of making such connection. Said charge shall be computed in accordance with the computation of regular capacity charges of the District.

4. Owner further agrees to pay such annual sewer service charges to District as may be established, from time to time, by the rules and regulations of the District which are of universal application within the District.

5. Owner further agrees to pay the regular development fees for the connection to be made to the District's system.

6. Owner hereby agrees to abide by all of the codes, ordinances, rules and regulations of District governing the manner in which sewers shall be used, the manner of connecting thereto, and the plumbing and drainage in connection therewith, the connection permitted herein is for one single family residence.

7. No change in the facilities to be connected to the District's system shall be made without first having given written notice to the District that such change is to be made. No additional connections shall be connected to the facilities of the Napa Sanitation District without having first given written notice to the District that such additional facilities are to be connected to the system. Prior to making any such change in facilities or to the addition of any units to the District's system, the Owner shall pay to the District such additional inspection, connection and annual fees which may then be established by the Board of Directors of the District.

8. Owner hereby agrees to annex the Property to the District, no later than February 3, 2022, at which time this agreement shall expire.

9. Owner hereby agrees to indemnify and hold harmless the District from all claims of loss or injury to third persons, or the property of any person arising out of the construction, operation, maintenance or use of the outside sewer service connection herein provided.

10. District hereby agrees to use reasonable diligence to provide a regular and uninterrupted service to the Property which is connected to the District's facilities; but shall not be liable for damages, breach of contract, or otherwise, to the Owner for failure, suspension, diminution, or other variations of service occasioned by, or in consequence of, any cause beyond the control of the District, including, but not limited to, acts of God or of the public enemy, fires, floods, earthquakes, or other catastrophes, strikes or failure or breakdown of transmission or other facilities.

11. None of the rights hereby granted to Owner may be assigned or transferred without the prior written consent of the Board of Directors of the District. In the event Owner's single family residence located upon the Property ceases to exist, Owner's rights under this agreement shall immediately terminate.

12. In the event Owner shall violate any of the terms of this agreement or any of the codes, ordinances, rules or regulations of the District, as they now or may hereafter exist, District shall give notice of the violations, in writing, to Owner. If the violation is not corrected within 30 days of the date of such notice, District shall have the right to disconnect the outside sewer

system of Owner from the District's system. Owner shall not reconnect said system until the violation has been corrected and the cost of such disconnection shall have been paid.

13. This agreement and the provisions hereof are intended to be covenants running with the land by this agreement, and are intended to bind the parties, their heirs, representatives, assigns and successors in interest, and any future owner of the whole or any part of the property covered by this agreement, and this agreement shall be made a matter of official record by recording the agreement in the office of the Recorder of the County of Napa.
