## Public Officials Liability For Special Service Districts

### Why Special Service Districts Need Directors and Officers (D&O) and Employment Practices Liability (EPL):

- ▶ Directors and officers can be sued individually for their decisions on behalf of the entity. The only protection between a claim and their personal assets may be a D&O policy.
- ▶ The average D&O claim costs \$267,000
- ▶ The average cost to defend a claim resulting in litigation exceeds the annual budget of nearly 85 percent of all Special Service Districts
- ▶ Over 30 million employment cases have been filed in federal, state and local courts
- ▶ Sixty-five percent of employers who have fired an employee have been hit with a lawsuit
- ▶ Seventeen percent of all employment claim awards against governmental entities are in excess of \$1 million
- ▶ Over 40 percent of all employment practices claims are brought against firms with less than 100 employees
