*Dear Zoning Administrator,*

*I write today to express my full support for the Vandendriessche family and White Rock Vineyards' application to upgrade their permit with the County.*

*I am a neighbor and have always found them to be courteous and respectful of the neighborhood, our community, and sustainability. I applaud the County for their foresight in establishing the Small Winery Ordinance, which allows legacy wineries, like White Rock Vineyards, to continue the work they have thoughtfully performed for decades.*

*Their hands-on, family-owned, and operated winery is exactly the sort of business that we should be protecting as Napa Valley continues to balance its growth.*

Dear Brian and the zoning administration team,

My wife Jean and I are writing today to express our full support for the Vandendriessche family who have a long history on Loma Vista Drive and White Rock Vineyards' application to upgrade their permit with the County.

As neighbors of the Vandendriessche family for a number of years, we have always found them to be courteous and respectful of the neighborhood, our community, and the land with a focus on sustainability. We applaud the County for their foresight in establishing the Small Winery Ordinance, which allows legacy wineries, like White Rock Vineyards, to continue the work they have thoughtfully performed for decades.

Their personalized hands-on, family-owned, and operated winery is exactly the sort of business that we should be protecting as Napa Valley continues to balance its growth.

Regards,

We are neighbors of the Vandendriessche family on Loma Vista Drive. We understand they are applying for a renewal of their winery use permit.

We do not have any opposition to this request. They are thoughtful and respectful neighbors.

Sincerely,

Celeste and Robert White
