RE: Response letter to "Site visit during survey week March 8-14, 2007"  
Clover Flat Landfill - SWIS # 28-AA-0002

DRS Coordinator,

Our process to determine the origin of waste disposed of at our facility for the general public is to ask the question, "Where is your waste from?" This information is then entered into the computer and a receipt is generated with the origin information printed on the receipt. Our gate attendant unfortunately forgot to ask that question to the inspector. As a rule we attempt to be 100% accurate with our information gathering and do pay particular attention during the survey weeks.

Please contact me at 707-942-1412 if there are any questions.

Thank you,

  
Gary Ponder  
Site Manager
