In response to your application for service, enclosed is the new CPUC-required form, "Statement of Applicant's Contract Anticipated Costs," (SACAC) which identifies PG&E's cost for the refundable work that is PG&E's responsibility to install as part your job. However, this is work that you can elect to provide under the competitive bidding provisions of Gas/Electric Rules 15 and 16. You can perform this work yourself, hire a contractor, or hire PG&E to do this work. Regardless of whom you choose to do the work, you must complete and return this form.

- If you elect to perform this work or have a contractor do it, please enter your costs in the section of the form entitled "Applicant Costs."
- If you elect to perform this work yourself or have a contractor do it and choose not to provide your costs, please so indicate in the section entitled "Applicant's Election Not To Provide Costs," date, sign and return the form.
- If you want PG&E to perform the work, check the section "Applicant's Election Not To Provide Costs," date, sign and return the form.

PG&E's costs are valid for 90 days from 01/06/2008

PG&E cannot proceed with any work on your application until you sign and return the SACAC form.

APPLICANT COSTS

The following statement must only include the contracted anticipated installed costs of facilities installed by the Applicant that are refundable and that are PG&E's responsibility under its tariffs.

SUMMARY OF PAYMENTS

The total cash payment you need to make depends upon your selection of the 10 Year Refundable Advance Option or the Non-Refundable Discount Option for your gas and/or electric extension under Rule 15. Since you may elect one option for the gas extension and a different option for the electric extension, several different cash payments are available. Each payment option is summarized below. These payments include all billing under this Agreement including payments subject to refund, and non-refundable payments. To determine what is refundable or non-refundable, or to see full detailed billing information, please see the attached cost summaries. Even if you have no payment due for your gas and/or electric extension (Rule 15), you must still elect the 10 Year Refundable or Non-Refundable Discount Option for each extension on the second page of the Declarations.
