

Proposed Trails
 - - - - Future
 — — — — Planned

1. Trail on City-owned Eucalyptus Drive extension. Existing non-exclusive access easement from City to NVWMA to remain.
2. City to assume public access easement from SLC, per compromise title settlement agreement, 12/28/1982.
3. Trail and fencing on NVWMA lands and SLC "non-exclusive public access easement." City to enter into MOU with NVWMA for construction, operation and maintenance of public access trail.
4. City to convey "exclusive access agreement" to NVWMA for existing building/service areas.
5. NVWMA and SLC "non-exclusive public access easement" to be conveyed to City for future trail (as funding permits).
6. Trail and fencing on SLC lands leased to City, SLC lease agreement.
7. Trail on City-owned lands.
8. Trail on DFG lands, easement from DFG/WCB to City.
9. City-owned land to be transferred to DFG/WCB.
10. Future public access trail to be built on DFG lands as part of salt pond restoration project.
11. Potential floating access easement from NVWMA to City for trail.
